Sun shade for Tot Lot equipment.
Cole, Mary and Meghan help survey the families. Basically we need to ask what problems we are trying to solve by asking lots of people who use the park. Once we understand the problem we are trying to solve then what are the project components such as cost, logistics/maintenance with building with parks dept. If we went with an a temporary up and down who maintains it and if we go with a permanent option what is the real comparative benefit. IV: New Business
Discussion of the April 20 incident in the park with 3 homeless people sleeping under the playground equipment. Neighborhood dad found them and a razor blade and “blood all over the place,” as is stated in the police report. He called 911, the Mayor’s hotline, and the City Councilor’s office. No one responded.

Toni Pollack appreciated the report and agreed it took awhile for the team to get there. Toni clarified that protocol exists. Jim Green from The Pine Street Inn works with the police to sustain intervention to move people out of the park.

Sgt. Lema from BPD explained that every neighborhood has problems (prostitution, panhandling etc.).
There is a city wide task force addressing this issue since 1993. There are protocols we should follow and we are encouraged to use them it enables the city to fund programs and patrols as necessary.

For emergencies and park rule violations: call 911
For 24 hour response to any problem in the Park, call the Mayor's service hotline: (617) 635-4500
To report a problem in the Park, call the Boston Parks & Recreation Department: (617) 635-7275

Recommendations
1) More lights. The 2 that are on the maintenance bldg are insufficient and will be covered by vines soon. Need floodlights that are directed onto the playground equipment. Who is responsible for knowing that the lights are burnt out? Point was made to add additional lights
2) How can we get police response to move homeless out of the Park? Follow above protocol.
3) Can FOCCP donate a camera that could be connected to the City’s camera system? TBD
4) What is the HAZMAT procedure to alert the public to public health hazards such as blood and other bodily fluids in a city-owned playground? Follow the above protocol.

II. Update on Old Business

Blossom Fund

Joanne provided us with an update on the grant status.

The plan is to expand the current space from 300 sq. ft. to approximately 1250 sq. ft. Cost estimates are as follows:

$71,000 Construction and development
$8,000 Halvorsen
$79,000

If the project costs came in at $100,000, it is proposed that the revenue would be obtained from the following sources.

BLOSSOM FUND. $50,000
CITY. $25,000
FOCCP. $25,000

Joanne asked Commissioner Pollak for the city to pay 25% of the construction/development costs, up to $25,000. Commissioner Pollak said the funds were not in the 2012-2013 budget but she would find them and encouraged us to “go for it”.

Latest proposal was sent to the FOCCP Board and the board approved committing to raise additional funds up to $25,000.

If we were able to obtain the money from the Blossom fund it would become available in December of 2013. The proposed sculpture for this space was declined because of the way we handled the paperwork. There is still a possibility it could be done in the future.

Tall Ships/Family Fun Day in the Park: This event was held on Saturday, June 30th from 10:00 am to 2:00 pm. Mary Marenghi and Joanne Hayes-Rines chaired this great event. 8 members of the USCG marched with us and the Navy Band played at 1:30. Matt Conti’s site includes some great pictures – particularly the group shot which was also in the Post Gazette. 15 volunteers contributed to the success of this event. Thank you to all who participated.

Homeless in Park:

Joan has not seen anyone in the Tot Lot ever since the floodlights were installed. Some of the homeless people have moved to the Rose Garden area. Joan has been picking up blankets. It was
reported that human excrement was found in the area. Concern was expressed about the move to the Rose Garden and one idea discussed was to add more lights to the area. It is a safety issue for the Horticulture volunteers and the potential for visitors to have a negative impression after visiting the park. Another idea mentioned was to replace the benches with chairs or narrow benches to dissuade sleeping. All ideas should be sent to info@foccp.org. Continue to call 911 if you see a homeless person in the park sleeping, drinking or doing something inappropriate. One note made was that the beer bottles and drug paraphernalia may not be coming from the homeless.

III. Update on Upcoming Events

Harbor Sunset Cocktail Cruise: Wednesday, July 18th, 7:00 pm – 10:00 pm
Virginia Kimball is chair of this event. Ticket price is $45.00 and will be catered by Rock Island, cash bar. This is a FOCCP members-only event. Members can bring guests. All were encouraged to sign up before Friday.

Old Fashioned Picnic in the Park: Sunday, August 19th, Noon to 4:00 pm – no rain date
Jess Williams and Michele Brogan will chair the event. This will be a “low key” event compared to the Family Fun Day. There will be a caricaturist from 1-3:30. Michele has asked NEMPAC if they organize arts and crafts. Lemonade and cookies will be provided. There is a need for volunteers for this event beginning at 11:00 am. They are looking for people who can do 1 hour shifts and assist with serving refreshments, games and setting up tables. Please let Michele or Jeff know if you can volunteer on this day. Michele to obtain tables from maintenance. Virginia will go to BJ’s to obtain table clothes and plates. Communication Plan: Matt’s website, FOCCP website, Regional Review and Posters in neighborhood including pool, Christopher Columbus Tot Lot and Nazzaro Center. Also discussed was distributing posters at the Fisherman’s Feast which is the same weekend. Sandra would like to list the names of sponsors on the poster. She will coordinate this effort with Joanne.

Movie Night
Movie night begins on Sunday July 15th. Joe Bono has hired a company to show the movies and they will be setting up an inflatable screen. We need someone to be there to meet them, introduce the movie and talk about FOCCP and thank Joe and Al Dente, Benevento’s and Boston Pushcart for sponsoring the event. The following people will do this introduction for each of the movies listed below.
Sunday, July 15 – Airplane: Terry Mirabito
Sunday, July 22 – Sandlot: Joanne Hayes-Rines
Sunday, July 29 – Galaxy Quest: Joanne Hayes-Rines
Sunday, August 5 – The Sting – Sandra Harcourt
Sunday, August 12 – Hugo: Joanne Hayes-Rines

Joanne to develop a flyer to handout at each movie. If cancelled due to rain, we will send out an email.

Casino Night: Friday, November 16th
Kim Caverly is chair of this event but Joanne provided an update at this meeting. Event to be held at the Marriott Long Wharf; they will provide the room and food. The price is still being negotiated. Heavy appetizers, desserts, a DJ and a cash bar will be provided.

Casino Productions was reviewed by Kim, Joanne and Kathy. They are very professional and the decision was made to utilize them for this event. A limited silent auction is being considered. Also being considered is a live auction. We expect approximately 200 people at this event. Ticket price and specific time of the event TBD.
IV. Additional Updates

**Sponsorship Program:**
Sandra Harcourt updated us on the Sponsorship Program she is developing. She is creating a brochure to educate potential sponsors on what the FOCCP group does and include information such as expenses. An internal document will be created which will outline this program. In summary, there will be various levels of sponsorships; the higher level the sponsorship, the greater number of “mentions” e.g. website, FOCCP events. Sandra would like to work with each committee chair on communications related to each upcoming event. Consistency in messaging will be key and this structure will help us be more efficient. Sandra will provide more details at the next FOCCP meeting.

**Dog play-date meeting:**
This meeting was held tonight in the Christopher Columbus Park. Concern was expressed about having Christopher Columbus Park known as where dogs can run around without a leash. Joanne reported she had recently received a call from someone who reported that their 2 year-old was knocked over by a bulldog. It was noted that the signs in the park related to no dogs and no bikes are posted up too high.

**Greater and Greener Conference:**
Joanne Hayes-Rines to attend this conference in NYC and will report back on what she learns.

Meeting adjourned at 8:04pm
Meeting chaired by Joanne Hayes-Rines called to order at 6:36 pm. 17 people in attendance.

Introductions: New and existing members introduced themselves.

I. Committee Reports

**Horticulture Report** by Mary Ann Esparo

The committee is working hard and as a result, the rose garden is looking spectacular. The group will now focus on the crescent area. Due to the issues with the homeless people in the rose garden, this area is now locked on Friday, Saturday and Sunday evenings. There has been a problem getting the area unlocked on Monday morning. Mary Ann is working on resolving this issue. We learned all maintenance people have keys and there is a key in the shed for us to unlock the gate if necessary.

The large leaf plants commonly known as “elephant ears” and seen along the walkway from the statue to Richmond Street look great and have received many accolades. Thanks to the City of Boston Parks Department for taking the chance on this tropical plant called Taro. There was concern these plants would not do well in Park but, as we can all see, they are thriving!

The horticulture group meets on Wednesday evenings at 6:00 pm and Sunday mornings at 9:30 am for one hour.

**Membership Report** by Beverly Knight

2012 Membership numbers were reported:

- $8515.00  Donations from memberships
- 204:    Paid members
- 69:      New members
- 61:      Members who paid via Pay Pal
- 557:    Number of contacts who receive our newsletter
- 192:    “Friends” on Face Book

There will be a membership table at the Picnic in the Park. All ideas to gain new members are welcome and encouraged. A suggestion was made to contact a dog owners group called “Ruff”. Beverly to follow up.

**Website and Internet Communications Report** by Christina Sperry

The August newsletter was sent to 557 people. 28.4% opened the email and there were 3.8% bounce backs. These are all average numbers.

There were weekly reminders sent out about the Sunday night movies. Opened and bounce back percentages were similar to the monthly newsletter.

The FOCCP Website continues to be a work-in-progress; a redesign is in process. Thanks to Meghan Denenberg for all of her assistance!

If anybody has questions or comments about the website, the newsletter, social media or any other Internet issue, please let Christina know. Suggestions and new pictures are always welcome and can be sent to info@foccp.org.

Meghan let the group know The Golden Goose recently gave her $500.00 which represents revenue from the cards sold at the counter.

We are transitioning from having a majority of our funds raised at the annual Gala to obtaining revenue generated from a combination of events such as Casino Night and through sponsorships. Sponsors will be recognized at multiple events throughout the year. The new sponsorship program is in the final stages of development and will be rolled out next month. One person will be assigned to each potential sponsor. If you have suggestions on who should be contacted to be a sponsor, let Joanne know.

Infrastructure Report

Cole Landers was not present but two of his committee members, Jim Salini and Pam Giroud, reported the following information. The annual review of Park took place at the end of July. The walk-through with the committee identified some safety issues, the need for barrel and bench replacements, un-even walkways and noted that some patching has worn out. Cole is documenting a full report.

II. Update on Old Business

Sunset Harbor Cruise

Joanne reported on behalf of Virginia. Although the funds raised from this event were smaller than last year, it was still a fantastic evening. The skies cleared just as the boat departed and it was a beautiful evening. The food, catered by Rock Island, was enjoyed by all. Anne and Joanne both received emails from people telling them how much they enjoyed this event. It was agreed this is a wonderful tradition we need to continue.
Thanks again to Boston Best Cruises for donating the boat! Details on revenue and expenses from this event are as follows:

<table>
<thead>
<tr>
<th>Tickets Sales:</th>
<th>$3645.00</th>
</tr>

<tbody>
<tr>

<td>$1800.00 (food)</td>
</tr>
<tr>
<td></td>
<td>$ 320.00 (tips)</td>
</tr>
<tr>
<td>Revenue</td>
<td>$1545.00</td>
</tr>
</tbody>
</table>

The projected revenue for this event was $4,000 because last year’s revenue was $3,000. So, we have a budget shortfall of $2475. We hope to make this revenue up in sponsorships, membership and the Casino Night fundraiser.

**Blossom Fund**
Joanne is continuing to work hard to obtain this grant money. She is currently waiting to obtain information from the Parks Department before responding to the most recent request for additional information due on September 10th. Joanne reported she is getting great support from the city.

The sculpture, discussed for this location, is on hold for now.

**Homeless in Park:**
Joan reported 2 people in the tot-lot recently but there are many less people since the floodlights were installed. It’s also been helpful to have kids playing in the park until 8:30 pm. Police are now walking and biking through the park. There was also a write up in the North End Regional Review about the homeless situation. Continue to call 911 if you see a homeless person in the park sleeping, drinking or doing something inappropriate.

Joanne is working on getting floodlights fixed the rose garden area.

**III. Update on Upcoming Events**

**Old Fashioned Picnic in the Park:** Sunday, August 19th, Noon to 4:00pm – no rain date
Jess Williams and Michele Brogan will chair the event. Joanne let us know the Aquarium will be donating a small pool. There will also be a caricaturist and NEMPAC will provide Arts and Crafts. Lemonade and cookies will be available. Additional volunteers are needed for this event. Contact Michele if you are available to assist.

**Movie Night**
Two movies were cancelled because of bad weather so Joe agreed to extend them until September 9th. The movies left are:
Sunday, August 19 – The King’s Speech
Sunday, August 26 – Galaxy Quest

Joanne is looking for someone to introduce the 19th and 26th movies. Mardie Hinkley and Ann Babbitt will introduce the August 19th movie.

**Casino Night:** Friday, November 16th
Joanne provided an update at this meeting. Kim Caverly is Chair of this event and Pamela Herring is the Silent Auction Chair. Volunteers are needed to get involved in the planning. A sign-up sheet was passed around at the meeting. You can also send an email to info@foccp.org if you are interested in helping out. Baskets will be put together for auction items along with a small number of “high profile” items which in the past have generated a good amount of revenue. Two nights stay in Las Vegas will be donated as an auction item by the owner of Casino Productions.
Event to be held at the Marriott Long Wharf; they will provide the room and food. The estimated ticket price is $100.00 – final pricing to be determined in the near future. Heavy appetizers, desserts, an Emcee/DJ and a cash bar will be provided. The goal is to have approximately 200 people attend this event.

**Columbus Day Event**
Ann Babbitt will co-chair this event with Joanne Hayes-Rines

**IV Other Updates**

**Urban Parks Conference**
Joanne recently attended this “greater and greener” conference in NYC. It was the largest urban park conference ever. Many people attended including international representatives from Brussels, Australia, Mexico, Hong Kong and more. Joanne did a tour of playgrounds in NYC and concluded they really like sandboxes. NYC does lock up their tot-lots at night. Because many of the NYC parks are larger, they can offer a variety of activities such as golf. The imagination playground was also a highlight. Another focus was on making parks healthy by offering tai chi, yoga and exercise stations. Kathy Ray to look into the exercise stations as a possibility for the Christopher Columbus Park.

Meeting adjourned at 7:55 pm
Meeting chaired by Joanne Hayes-Rines called to order at 6:38 pm.  22 people were in attendance.

Introductions: New and existing members.

**I. Committee Reports**

**Horticulture Report by Robyn Reed**

The committee has been focused on cleaning up the Crescent area which was flattened by the recent storm. The late summer bloom of the roses was wonderful. Better mulch and dead heading throughout the summer may have contributed to the beautiful and abundant roses. The cleaning will continue until the end of October however, the group may stop working on Wednesday evenings sooner due to darkness.

Robyn spoke with Warren from the Parks Department who apologized for not consistently unlocking the rose garden on Monday mornings. He explained there are only 11 park rangers in the city. We were reminded there is a key in the shed for us to unlock the gate if necessary. It was mentioned we will likely stop locking the rose garden in the winter.

The horticulture group meets on Wednesday evenings at 6:00 pm and Sunday mornings at 9:30 am for one hour.

**Membership Report by Beverly Knight**

2012 Membership numbers were reported:

**Infrastructure Report**

Cole Landers was not present but Jim Salini reported there was no new news. He is waiting for the report from Cole.

**Fundraising Report** by Sandra Harcourt

Joanne Hayes-Rines said a few words before Sandra’s report. She explained how the FOCCP raised money in the past primarily via the annual Gala. This year’s funds will be raised from a variety of events including the Sunset Harbor Cruise, Casino Night and through sponsorships. There are more events in the Park and therefore, a greater opportunity to recognize sponsors. We will have a more focused approach on sponsorships this year and Sandra had taken the lead in developing this program.

Sandra reviewed the new brochure developed as a tool to explain the program to potential sponsors. There are 4 sponsorship levels, Platinum, Gold, Silver and Bronze. The higher the sponsor level, the
more community visibility and recognition the sponsor will receive. Sandra indicated this was a
transition year and the revenue target is $35,000 via the program this year. It will take time to build
these relationships and the new brochure will assist in explaining the value proposition to these
potential sponsors. Below are more specifics on the sponsorship program.

Platinum Sponsor: $10,000
- Company Logo on FOCCP newsletter and website with direct link to company website from
FOCCP website for a whole year.
- Company will be recognized as a sponsor of all FOCCP events (movies excluded), on all
promotional materials, including FOCCP e-newsletter, website posters and press releases.

  - Company name printed with every invitation.
  - Company name printed on the Casino Night Posters/Flyers.

- 2 tickets to Annual FOCCP Sunset Harbor Cruise.

Joanne will be responsible for contacting the high profile potential sponsors; many have contributed in
the past and there are existing relationships. Sandra distributed a list of other potential sponsors and
she asked those at the meeting to sign up if you would like to speak with a potential sponsor. Let
Sandra know if there are additional sponsor targets you believe should be contacted. You can contact
her via info@foccp.org.
II. Update on Old Business

**Blossom Fund**

Joanne let us know she has been asked additional questions by the Blossom Fund Committee and she is gathering information before responding. One potential issue she was made aware of is the possibility that the original Christopher Columbus Park design committee may express their concern about how the funds would be used. As it turns out, back when the Park was being re-designed, the Park did not follow the exact plans provided by the design committee. Only minor adjustments were made. Toni Pollak has continued to be very supportive; she is encouraging the FOCCP to apply for the beautify Boston Grant for $25,000.

III. Update on Upcoming Events

**Christopher Columbus Day:** Monday, October 8, 2012, 10:45 am -3:00 pm

Ann Babbitt, Mary Marenghi and Joanne Hayes-Rines are co-chairs. This group is looking for committee members and during the meeting, a sheet was passed around for people to sign up to help plan this event. The first committee meeting will be held on Monday, September 17th at 6:30 pm at Joanne’s home.

The line-up for the parade will begin at 10:45. We are in the process of confirming Mayor Menino, the Italian Consul General and others will attend. Entertainment will include: a juggler, marionette show, magician, Big Joe the storyteller, and NEMPAC (crafts), We are still waiting to see if Susie the clown and NE aquarium will participate as well. Land O'Lakes will donate $2500 to FOCCP so they can distribute a new Italian cheese from their vehicle in the park. Joanne has already obtained permission from the city.

Joanne let us know she is trying to get either a fire truck or a duck boat for the day. Sandra has a connection at the National Guard.

**Casino Night:** Friday, November 16, 2012, 7:00 pm – 11:00 pm at the Marriott Long Wharf in the Harborview Ballroom.

Joanne provided an update on behalf of Kim Caverly who is chair of this event. A great company has been hired to run the casino aspect of the evening. Here are some details:

7:00 pm – 8:00 pm: Cocktails, view Silent Auction items
8:00 pm – 11:00 pm: Gaming tables open
Heavy appetizers, desserts, a cash bar and an Emcee/DJ will be provided
Tickets $115

Below is a summary of what was discussed:

- Each person is given $1000 of “casino money”. Additional chips can be purchased. We will likely designate someone to sell additional chips and have the Emcee promote throughout the event.
- One sponsor can have their Company name on the casino money for an additional donation.
- There will be a photo booth free to guests. There will an opportunity to promote a sponsor by putting their name on the frame of each photo.
- The goal is to sell 200 tickets to this event.
- The first committee meeting is Thursday, September 27th at 6:30 at the Mariners House.
- A poster will be created publicizing the event and we will ask people to distribute them around the North End.
- Silent auction items will be minimal. In addition, gift baskets will be created and raffle tickets can be bought the night of the event. Attendees can elect which baskets they would like to
place their raffle tickets; the more tickets, the better chances the person will have to win. “Winners” at the end of Casino night will be given extra raffle tickets.

- We are looking for a local company to donate pastries for the event.

Meeting adjourned at 8:08 pm
Meeting chaired by Joanne Hayes-Rines called to order at 6:33 pm. 20 people were in attendance.

Introductions: New and existing members.

I. Casino Night update

Kim Caverly reviewed the plans for this event planned for Friday, November 16, 2012, 7:00 pm – 11:00 pm at the Marriott Long Wharf in the Harborview Ballroom.

7:00 pm – 8:00 pm: Cocktails, view Silent Auction items
8:00 pm – 11:00 pm: Gaming tables open.

Heavy appetizers, desserts, a cash bar and an Emcee/DJ will be provided

Tickets $115. The goal is to sell 200 tickets to this event.

Kim introduced Grant Thayer, President of Casino Productions who provided more specifics about the casino part of the evening.

- At 8:00, Joanne and Grant to introduce maybe the Mayor who will officially open the gaming tables.
- Each person is given $1000 of “casino money”. Additional chips can be purchased and the Emcee and other FOCCP volunteers will promote / sell throughout the event. $20 for 1000 extra casino cash is an option. We decide what the cost will be.
- Grant let us know the dealers will be instructive.
- There will be 7 tables set up. 4 Black Jack, 1 Craps, 1 Roulette Wheel, 1 Texas Hold Um. There are purposely not as many tables/seats are there are people so there will likely always be a wait or a crowd around a table. This will help to generate interest. People will move from table to table.
- At the end of the evening, each person who has casino money will “cash out” for “drawing tickets”. They will put these tickets into containers representing different raffle items. An example of a raffle item is the trip to Vegas.
- We need to decide if people have to be there in person in order to win.
- Throughout the evening there will be giveaways. As an example, the Emcee might say, “the next person who has Black Jack wins a Dunkin Donuts gift card.”
- There will be a photo booth free to guests. There will an opportunity to promote a sponsor by putting their name on the frame of each photo.
- Grant provides the raffle tickets and they also print the money. We are still looking for a sponsor to have their Company name on the casino money for an additional donation ($1000)

Silent Auction/Raffle Items discussion summary:

- There are 3 “buckets” of items:
  - Silent Auction items (approximately 12 – example is trip to Scotland)
  - Raffle items (Baskets, Las Vegas)
  - Miscellaneous Items to giveaway during evening.
- We discussed sending an email each week recognizing those FOCCP volunteers who obtained donated auction items and a description of each item. It was decided all people who normally receive the newsletter should also receive this information. Before sending out this information, we need to get the permission from the FOCCP member.
- In general, we need to do a better job explaining each of the auction items.
- Ask Laurie Cadigan if you want to know more about the auction items. Her email address is laurie@concordre.com
- 8-12 Baskets is the goal.
- Laurie to send an email to the Ladies group twice a week with an update.
- Sandra asked about the logistics of distributing the “quick wins”. Will these items need to be in an envelope?
- Forms for donations were distributed at the meeting and are also available on the website.

Sponsorship discussion summary:
- We could have “table sponsors” and consider having multiple sponsors per table. E.g. condo association table.
- We need to make sure we are highlighting sponsors who have paid a lot - $5000 vs. 500.
- Sandra to obtain flowers for the major sponsors.
- There may be a special cocktail hour for key sponsors.
- We would ideally like to have our costs covered before the event but need to keep the donations for general FOCCP sponsorship separate.

II. Committee Reports

Horticulture Report by Mary Ann Esparo
The work in the Rose Garden is ending for the season. There is still work being done in the Crescent area and Mary Ann recognized and thanked Ann Babbitt for the work she has done on her own in this area. A thank you was also given to Joseph who is helping to cut down the top layer of the rose bushes.

The Horticulture group is now only meeting on Sunday mornings at 9:30 am for one hour.

Website and Internet Communications Report by Meghan Denenberg
September 2012 FOCCP Newsletter:
The September newsletter was sent to 558 people on September 4th. 163 people opened the newsletter – this is a 29.9% open rate. There were 12 bounce backs or 2.2% of the total. These numbers are all average numbers.

Casino Night Newsletter Blasts:
Two email reminders about Casino Night were sent in September. The first one was sent on September 17th to 562 addresses and had 281 opens, which is larger than usual. The second Casino Night reminder was sent on September 24th to 562 addresses and had 153 opens, which is about
average. The increased open rate for the first email was probably due to the “From” field identifying the Mayor as well as the Friends of Christopher Columbus Park. If/when we have sponsored or co-events with the city, we should probably continue sending reminders with a modified “From” field like this to help pique interest and increase exposure.

FOCCP Website Improvements:
A weddings section has recently been added to the website. FOCCP regularly get inquiries about weddings in the Park and many of us have probably seen wedding parties getting pictures taken there. This section of the website is intended to provide logistical information about permits and cost related to weddings and wedding photography in the Park and to help encourage people to continue using the Park for their wedding pictures. Thank you to Meghan for getting this project off the ground.

Idea from Sandra Harcourt: Add links to articles, such as the Boston Globe news on FOCCP, in the newsletter.

Question and Comments:
If anybody has questions or comments about the website, the newsletter, social media or any other Internet issue, please let Christina know, either directly or by emailing info@foccp.org.

Fundraising Report by Sandra Harcourt

Sandra let us know we are half way to meeting our goal of $35,000. Thanks were given to Joanne and Meghan for their work in securing sponsors. All were encouraged to reach out to condo associations to become sponsors. We reviewed sponsorships already attained and discussed those who still need to be contacted.

III. Update on Old Business

Columbus Day Event
The event was a great success. Ann Babbitt, Mary Marenghi and Joanne Hayes-Rines were co-chairs. After a parade through the Park, State Representative Aaron Michlewitz placed the wreath at the foot of the statue and Francisco Urena, the City of Boston’s Commissioner of Veterans’ Services, attended. Entertainment included Jenny the Juggler, Peter O’Malley Magician, Big Joe the Storyteller, the Tanglewood Marionettes and Cornell’s a cappella group Last Call was fabulous. NEMPAC had a very busy crafts table, the Aquarium’s Traveling Tide Pool exhibit was a hit and the games provided by the Greenway were very popular. Frankie Boyer donated 400 bags of the snack, Chunky Monkey. We’d like to get the name of the contact to send them a thank you note. Patricia and Norman gave away coupons for hot dog gift certificates. There were about 1000 people in attendance. The event ended by 3:00 pm. Matt Conti hosted a wonderful after party for the volunteers at his home.

The raffle generated $115 in donations. Sales of note cards by Neil Denenberg’s adorable granddaughters and nieces brought in $212. The Land O’Lakes truck was very busy distributing cheese for which they donated $2500 to FOCCP. Next Step Living, which does home energy evaluations, donated $150 to FOCCP for a table at the event.

Approximate Costs and Revenue:
Costs: $3400
Revenue: $2800

Meredith Piscitelli has posted pictures of the event on Facebook. Jeremy Fox of boston.com posted 19 pictures with great comments. Matt Conti posted wonderful pictures on northendwaterfront.com.
IV. Update on Upcoming Events

Trellis Lighting
Monday November 19th at 5:30 pm
Leahy Landscaping has proposed starting the trimming of the wisteria beginning on October 22nd. They are also recommending fertilizing the wisteria so the total cost would be $3360. Joanne met with Lauren Patrick of the Parks Department and they are contracting NEMPAC for entertainment and we agreed the bell ringing children were wonderful. They will also contact Starbucks for coffee and hot chocolate. Joanne will ask the Marriott GM about donating cookies. Virginia Kimball will get candy canes. Sandra to ask Jay about the “Big Switch”. Santa Claus will be at the event.

V. New Business

Elliott School turns 300! We’ve been invited to have a table at their celebration on Saturday, October 20th from 2:00 pm – 5:00 pm. This would not be a fundraiser but an invitation for us to spread the FOCCP word. Joanne to look into getting pencils with the FOCCP name on them as a giveaway. It was agreed the giveaway should be made in the USA and be related to the Park. Any additional ideas should be shared with Joanne.

Beautify Boston Grants. The City of Boston grants range from $5,000 to $25,000. We will apply for $25,000 grant as part of our efforts to get the $50,000 Blossom Fund grant. Deadline is November 15th. Joanne will work with Kathy Ray and the Board to write the grant. Winner will be announced January 2013.

Previous months minutes were accepted as presented.

Meeting adjourned at 8:06 pm
Meeting chaired by Joanne Hayes-Rines called to order at 6:40 pm. 16 people were in attendance.

Introductions: New and existing members.

The North End Beautification Committee is sponsoring a Holiday Tree Lighting and surprise visit from Santa on December 7th at 6:00 pm. Location is at the corner of Cross Street and Hanover Street. A handout with details was distributed at the meeting by Patricia Thiboutot.

I. Committee Reports

Horticulture Report by Mary Ann Esparo
The Committee finished for the year at the end of October. The decision was made not have garland, lights or wreaths around the Rose Garden this year. The thinking is the focus should be on the Trellis and lights on the Trees. In addition, there are additional costs associated with the lighting, hanging of the garland & wreaths and the costs to address paint peeling. There was concern was expressed about not decorating and lighting the Rose Garden and so it was agreed this decision will be reevaluated next year.

The Rose Garden will be locked up after mulch is completed and after the 1st frost; likely in mid December. There was a discussion about whether someone from the Committee will just lock the garden at the appropriate time.

II. Lighting
Joanne let us know the trimming of the Wisteria was a little too aggressive this year and as a result, they cut away some of the existing lights on the Trellis. We plan to find out how many lights were cut and hopefully receive money to reimburse us for these lights.

The Trellis lighting event is on the 19th of December beginning at 5:30 pm. There will be Christmas music, NEMPAC will sing and the children will have bells. The city does most of the organizing for this event. Starbucks will be donating coffee.

III. Blossom Fund and Beautify Boston Grant Programs

Joanne reviewed the beautiful 3 part posters put together for her presentation on Thursday. Joanne described the history of the Park renovation. The Circle was an after thought and as a result, it is not irrigated well and turns into a weed area. The project we are looking to get funding for will get water to this area, make it bigger (triple the current size) and there will be nice plantings, benches and a place people can walk through. Kathy Ray has helped Joanne write these grant applications. Joanne is still waiting for more supportive letters from neighboring business and community to include with the grant applications.

IV. Casino Night Update

Joanne provided a summary of how the evening will proceed the night of the event, Friday, November 16, 2012.

The event will start in the Palm Room. The Silent Auction will be set up along an appetizer station and bars. There will also be passed appetizers. A PowerPoint presentation will be running during this cocktail period. There will also be a stage set up with a microphone. At approximately 7:45, Joanne will introduce the sponsors and then Grant Thayer will say a few words and officially announce the gaming tables are open. Everyone will then be asked to walk down the hall to the multiple rooms with the games, food stations and bars.

The coatroom and silent auction items will be moved after the Palm Room is cleared out.

Virginia let us know 172 tickets have been purchased thus far. Thursday will be the last opportunity to buy online. Tickets can be purchased the night of the event at the door. Virginia is still waiting for the MasterCard machine. The 1st one received needed to be sent back.

Patricia Sabbey distributed a draft of the schedule for those responsible for the Check-In/Hospitality Table. The table will initially be set up in the Palm Room and then move to the Quincy Room once the cocktail hour is over. The table will be decorated with lights and large dice.

A draft schedule for the Roving Assignments was also distributed. These people will be responsible for selling additional raffle tickets and additional gambling money. Boas and purses/aprons will be provided. Additional raffle tickets cost $5.00 a piece. Gambling money costs are $10 = $1000 worth of chips. Beverly to provide the cash box which will stay at the hospitality table.

We will ask the Marriott if we can put money in a safe throughout the night and will ask for an escort at the Marriott to walk to the safe.

There was a discussion about how to ensure we don't get "crashers". Various options were reviewed including stamping hands but in the end we decided not to do anything.

Silent Auction: All agreed Laurie Cadigan has been great! Lots of items have been donated and Laurie is working hard to get everything organized for Friday night.
Ann Babbitt let us know Mikes Pastry is donating all of the pastries!

Photo Booth: CL Waterfront Properties will have its name at the bottom on the frame. There will be a photo booth person manning the booth.

Joe Bono will have his logo on the casino money.

There will be 12 dealers and 9 tables.

The Dance floor is 9' x15' and this is where the DJ/Emcee will be set up.

Meghan let us know a magician will be donating his time at the event. Michael Feldman will be walking around the night of the event doing slight of hand tricks.

Meghan also let us know 1-800 flowers have donated flowers and we are looking for someone to bring these flowers to the Marriott the afternoon of the event.

**V. New Business**

Joanne let everyone know Cole Landers has tenured his resignation as the Chair of the Infrastructure Committee. We are now looking for a new Board member to fill this position.

Previous months minutes were accepted as presented.

Meeting adjourned at 7:28 pm
